Dear Mr Szczepanik,

Thank you for your email which included your views regarding the proposed Interim Protection Declaration (IPD) over an Aboriginal place, known as Dyurrite 1, in the Mount Arapiles-Toooan State Park.

I will now consider all submissions made to me regarding the proposed IPD and will make a decision in the following weeks.

Should you have any further questions, please contact Mr Harry Webber, Director Heritage Services, Aboriginal Victoria at harry.webber@dpc.vic.gov.au.

Yours sincerely,
